Meet our new teachers in the district! The new teachers had an orientation on August 26 where they learned about district resources, expectations, school programs including the Skyward system, and district expectations. The new teachers also met their mentors, took part in relationship-building activities, and enjoyed a tour of Holdingford. The group is looking forward to a great year!

Teachers from left to right:
Carrie Jendro (Jr./Sr. High School Language Arts), Michelle Schumer (Jr./Sr. High School Special Education), Kyle Klepel (Jr./Sr. High School Band), Rachel Gruendemann (Jr./Sr. High School Choir), Lisa Falk (Elementary Title I), Shelby Rosenberger (Second Grade), Nathan Anderson (Jr./Sr. High School Science), Alyssa Kerfeld (Sixth Grade), Jena Nitz (Jr./Sr. High School Science), Taylor Peck (Jr./Sr. High School Industrial Technology & Agriculture)

Greetings from Holdingford Public School!

It has been a very busy start to the school year and things are off to a great start. I have really enjoyed the energy we have seen in the building. The students and staff have been amazing and such a pleasure to work with on a daily basis.

Our fall activities are as busy as ever. The volleyball, football, swimming/diving, and cross country teams have been hard at work and are gearing up for postseason play. Good luck to all! The fall play cast/crew are putting the final touches on their production of "Nifty-Fifties Malt Shop Murder". I am looking forward to this and encourage you all to take in one of the performances. The curtain will go up on Friday, October 28 at 7:00 PM, twice on Saturday, October 29th at 2:00 PM and 7:00 PM, and Sunday, October 30th at 2:00 PM.

Holdingford School is looking for a few parent volunteers to attend the World's Best Workforce Committee meeting. The meeting will be held at a yet to be determined date in November. The meeting will review the goals from the last year and shouldn't be a terribly long meeting. If you are interested in being a possible member, please contact Linda Zapzalka (746-4307) at the school.

We are midway through the 1st quarter and while things are going great, we are being stretched to great lengths due to the shortage of subs across the board. By far our biggest area of concern is with teacher and para subs. Please contact Linda at the number listed above.

As we near the end of fall, I hate to remind you that winter is just around the corner. Minnesota weather is sometimes difficult to predict; it is essential that parents/guardians anticipate and prepare for school closings, delayed openings, and early dismissals. The area public school districts follow a coordinated plan to better ensure the safety of our children. The National Weather Service and other forecasting agencies issue various winter weather statements, watches, and warnings. We use these statements to determine if weather conditions may cause a late start, full day cancellation or an early dismissal from school. As always the safety of our students and staff is our prime concern. If cancellations/dismissals are needed, please pay attention to our SkyAlert announcements, local TV and Radio, and Facebook for the latest news.

TECHNOLOGY Q&A

How Can I Help My Kids Develop Good Screen Time Habits?

Set limits. Establish screen-free zones and weekly screen-time amounts. Aim for a balance of activities throughout the week.

Choose age-appropriate, high-quality content. Not everything has to be educational, but when choosing entertainment for young kids, think about how it engages your child.

Watch and play together when you can.

Make an effort to understand -- and even appreciate -- what your kids are doing.

Treat tech as a tool, not a treat. Show them how you can use devices for other tasks, such as sending emails, getting directions, and looking up information.

Be a family of media critics. Help your kids think critically about what they watch, play, and interact with by talking about it.

Be a role model. Take an inventory of your tech time and be aware of the example you are setting.

Securly Home allows parents/guardians to control certain access to their student's Chromebook while using a network away from school such as pausing internet access. It also provides a **weekly report** of your student's online activity via their school Google account/chromebook.

For more information and/or to participate, please visit the district website www.isd738.org - click "About" ⇒ "Technology" ⇒ "For Families" ⇒ Securly Home Information OR Securly Home Opt-in Form

To learn more about Securly's online safety solutions, please visit www.securly.com/home-parent.

Securly Home accounts do transfer from year to year, no need to resubmit an opt-in form if you are currently receiving reports.

Chromebooks are a tool used daily at school and home to access the internet and the **Google Suite** of applications.

Google Classroom is used to streamline assignments, boost collaboration, and foster communication among students and their teachers.

Google Docs, Sheets & Slides are similar to Microsoft Word, Excel & Powerpoint or Apple's Pages, Numbers & Keynote. Students have access to their Docs, Sheets & Slides on their chromebook whether they have internet access or not.

Did you know?

Your Skyward Family Access account is accessible via the Skyward app OR online.

You can view your student's grades, attendance, lunch account balance, and more.

Skyward is the district's first line of communication. Updated information is imperative for receiving school related news and updates.

HIGH SCHOOL NEWS

First, a big thank you to students and parents for your help in getting this school year off to a solid start. I have really enjoyed getting to know the students as they participate in their classes and activities at Holdingford High School. Homecoming week was Sept 26th - Sept 30th and I was impressed with the high number of students participating in dress up days, class and homeroom competitions, and the dance. School should be a place where students work hard and play hard, and homecoming week showed how Huskers do that. I want to thank the Student Council and their advisors for all the work they did to make it a memorable experience for the students.

Holdingford High School continues to offer resources for students who need support. Targeted Services is offered for 7th and 8th graders after school on Mondays and Wednesdays to provide extra help with skills, organization, and homework support. PBIS (Positive Behavior Intervention Strategies) is used to help reinforce a culture of belonging and reward students for showing the Husker Strong characteristics. SEL focuses on good decision making, anti-bullying, and improving yourself. We hope these programs, along with other opportunities, help Holdingford students grow educationally and socially. On Thursday November 10th we will welcome Reggie Dabbs for an assembly helping students with a message of resilience and focusing on their future. He is one of the most sought after school speakers in America and we hope the students will enjoy his humor, music, and message.

As we move through the fall season, I encourage parents to keep supporting your child to do well in school.. There will be struggles, but those are opportunities to grow and learn to take on the challenges ahead of them. Thanks for all you do to help make our school a better place.

ELEMENTARY NEWS

Greetings, Husker Family!

We are off to a sensational start of the 2022-2023 school year. Our building is filled with wonderfully, talented, and creative children. Kids, your kindness, hard work, manners, positive energy, and friendship are noticed and greatly appreciated!

We have the BEST teaching and support staff in the nation! Thank you for all your hard work. Thank you for being with us. I am proud of you! I am lucky to work along side you and share children with you.

I would like to thank each and every one of our parents, community members, community organizations, and businesses for supporting our school. Together we create hope and build better tomorrows! We have the BEST students in Minnesota! GREAT job Mom and Dad!

A huge Husker thank you goes out to our active and supportive school board and Superintendent Dr. Chris Swenson. Thank you for all your hard work and leadership. You are helped us write history and you provide our staff with the tools and resources needed to reach and teach every child.

Husker Families...Thank you for sharing your children with us. Thank you for supporting our teaching staff, and taking time each night to do homework and practice reading with your children. Day to day life can be hectic. Your support means the world to us. Thank you for teaching that a hard work ethic, good old fashion grit, and Husker kindness will lead the way to academic success, life success and healthy, happy friendships! Thank you for teaching the importance of being truthful, and modeling how to give a sincere apology. When families and schools work together, the sky's the limit!

As we jump into the new school year, new learning adventures and adversity, please remember to count your blessings. Remember we are in this together. Husker Family forever! I love being your principal!

UPDATES!

THANK YOU ALL for helping make our first Walk-a-Thon PTA Fundraiser a **HUGE SUCCESS!** We had a 59% participation rate and exceeded our goal of 20K! All The students participated in different activities from doing laps around the track, and walking on the Wobegon Trail. The top 2 earning students from each grade level PreK-6, and 1 randomly drawn participating student from each grade level, won the chance to toss a pie in the face of a staff/parent volunteer! The fourth grade class won the class incentive of a movie day!

This fundraiser would not have been so successful without the amazing support of Principal Stang, the teachers, students and our wonderful families!

The Fall Book Fair was a BIG HIT again this year! The Book Fair takes A LOT of volunteer effort and we are SO GRATEFUL for those of you that helped assemble, run and tear down the displays. We could not have a successful Book Fair without all of you! Special thanks to Ms. Gerads for letting us take over the Media Center—we appreciate all of your help!

The Family Ice Skating Party made its return this year for the first time since 2019 and was an AMAZING event! We had nearly 100 students and 30 parents join us at the MAC in St. Cloud for some fun on the ice! **HUGE SHOUTOUT** to all of our Chaperones that helped with busing, tying skates, helping kiddos on the ice and dishing up pizza and refreshments. We appreciate ALL of you for your help!

We are excited for the return of Penguin Patch® this December 14-16th! It's so fun to watch students smile & giggle as they shop for holiday gifts for family & friends. Look for more information coming soon!

February is 'I Love to Read' Month and we are gearing up for some ooey-goey fun to help our students stay engaged with reading! We will kick off 'Read S'more Books' with a Read In Night on Tuesday, January 31st and conclude with Library Night on Thursday, March 2nd. Minnesota author Kevin Lovegreen will be visiting with 3-5th graders in February! Kevin brings the intricate wonders of the outdoors to life through his books. Through educational storytelling your child will be introduced to the wild outdoors. Stay tuned for more information!

We have an art partnership with Art-in-Motion coming up in December and Yearbook order forms will be sent home after Christmas break as an FYI! Upcoming meetings are: Dec. - No Meeting, Tues., Jan. 10th, Tues., Feb. 14th, Tues., Mar. 14th at 7:00 PM in the Elementary Media Center.

HUSKER HOMECOMING: HAT DAY IN THE ELEMENTARY!

NEW OCTOBALL PIT!

See Holdingford Elementary PTA's Facebook Page for this story!

Principal Stang approached the PTA about funding/building an Octoball pit for the elementary school.

When Renee and Aaron Rudolph heard the news, they stepped in to not only fund - but to help coordinate the dirt-work and building of the new pit! They worked with Mr. Stang and then called in some extra muscle to get the pit built before the kiddos returned to school!

Thank you so much to Mr. Stang, Keith Posch Tri-County Excavating, AJ Welle, Jesse Welle, Jason Welle, Nathan Kuklok, Renee & Aaron Rudolph, and Rudolph's RedneckRoost!

Attention Fishing Enthusiasts!

Holdingford High School and Community Education is exploring an exciting opportunity for students to participate in a high school fishing team. Spending time outdoors as a child or young adult can foster relationships to last a lifetime. Many students do not have the opportunity to cast a Shad Rap or net a walleye. Your involvement in the development of the fishing team can make this possible and give students an opportunity to participate.

What activities will the student anglers participate in?

- Introductory Meetings and Organization
- On-the-water events including launch trips and local fishing trips
- Regional competitive tournaments such as the Student Angler Tournament Trail and the MN High School Muskie Trail
- Seminars from pros and local fishing experts
- Fishing Education Days

If you are interested in learning more about the fishing team, fill out the survey by December 1, 2022 at: <https://forms.gle/8SqV4ADAJf9gsc2a7> (The link to the survey is also located on the Community Ed. webpage.)

HOLDINGFORD HEAT 2022-23

JO Volleyball | grades 7-11

MISSION

Our mission for Holdingford Heat JO Volleyball is to provide a competitive program in which players at each level will develop and grow as athletes. Our goal is to provide the best JO experience for all participants. This year, we will be partnering with NCR and USAV in order to increase opportunities for our teams.

TRYOUTS

Tryouts will be held on **Sunday, November 20 in the High School Gym** (register for tryouts online)

Grades 7-8: 3:00-5:00pm – **Grades 9-11:** 5:30-7:30pm

All players will be placed on a team. Teams will be divided according to: age, athletic ability in volleyball, position, and ability to be coached. Players will be placed on a team in which they will receive the most playing time and the most opportunity to learn/grow as an athlete.

SEASON SCHEDULE

The season will begin in January and end in April or May, depending on the team's tournament schedule. The first practice will be held promptly after the holiday/winter break. All teams will practice on Sundays with an additional weeknight practice. Each team will compete in 5-6 tournaments throughout the season. **Players will be given a practice and tournament schedule at the start of the season so families and players can plan accordingly.**

MULTI-SPORT ATHLETES

We encourage athletes to be in multiple sports and activities. Therefore, we provide a program to accommodate all athletes, including those who are in multiple activities. In order to do this, we strategically schedule around other school activity schedules. Practices and many tournaments will take place on Sundays. We also emphasize that school and school activities should take priority over JO. If a player must miss practice due to a scheduling conflict, she will be exempt.

COST

We are working hard to find ways to keep the cost down for our program in order to make it affordable for all families. Currently, the cost to participate ranges between \$275-\$300. Additionally, players will need to pay a \$55 NCR/USAV Membership fee. The final cost will be determined after teams are divided. We will also be providing a fundraiser for players who want to raise money to go toward their individual fee.

REGISTER

To register for tryouts, please visit the Community Ed website.

>Community Education >Youth Athletics, >JO Volleyball Tryouts

After tryouts, when teams are divided, we will take care of additional registration and fees.

Early Childhood

Early Childhood Family Education (ECFE) is for parents and their children to come to school together to explore, sing, play, and learn. Parents also have time to talk about the joys and challenges of being a parent with other families “in the same shoes”. By coming to school with your young child you are demonstrating to your child that school is a great place to be. You can register online for ECFE classes or by filling out the registration below. Please also send a copy of your child’s vaccination record. Register early, classes fill up. (all classes enter door 7).

Sibling care is offered during evening ECFE classes only. This is a free service provided to make it easier for families to attend early childhood classes. Please mark on the registration form if your family will utilize this service and the names/ages of the children attending sibling care.

EARLY CHILDHOOD SCREENING

Early Childhood Screening is a free and simple check of how your child is growing, developing, and learning.

Screening at 3 is preferred, but a child may be screened between the ages of 3—start on Kindergarten as required by law.

What to expect at a screening appointment

a trained professional will check:

- Thinking, language, and communication
- Social and emotional development.
- Vision and hearing
- Immunizations
- height and weight
- Large and small muscles

2022-23 Early Childhood Screening Dates:

- November 23, 2022 - January 23, 2023 - April 6, 2023 -

****To Schedule an appointment call 320-746-4462**
