  - A. Holdingford Elem. [PTA Funding Request Form](#)
    - i. ideas/edits? The form was emailed to all teachers for review. The form will be resent and ask for feedback or any changes or ideas. The PTA would like the teachers to know we have money available for their needs and this may be the best way to keep it organized. Mr. Rosenberger shared that he liked the idea. The PTA may also send out monthly reminders to teachers to remind them the money is available.
  - B. Collaboration with Art in Motion (Art Program)
    - i. April 25-May 10 Tentative Dates for Art Display
    - ii. Communicate to families in December and have art collected by mid Jan. to give Greg an idea on number of pieces to display. Also, a night may be arranged either in the school library or somewhere within the school where art supplies would be provided so the students could make their artwork to display for this event. It was also suggested that the room at Art In Motion is already set up for art projects and may be a good option as well but unsure of when it closes for the season.
    - iii. Determine date of social/show(s) at a later date with Greg.

- C. Mathnasium (March - contact Andy closer to March and have staff work on specific goals)  
More to come on this very soon.
