

2025/2026 Goal Scheduling Timeline

Please note this is a general timeline that may need adjusting as we work through this for the first time in our new Skyward Q system. Staff are working hard to ensure excellence for our students!

December 2nd Monday: Scheduling team to meet

December 16th Monday : Teacher due date for course catalog edits or changes

January 13th - January 16th : Course Requests in Harvest

- January 13th - Video explaining the course request process for Harvest teachers to review with students along with the new course catalog
- January 13th - Course requests open to students
- January 16th - Course requests closed to students

January 27th - February 28th : Skyward Background Information

- Classes & Section Numbers Finalized
- Teacher Grid Created
- Teacher Grid Proofed
- All information updated into skyward to reflect this
- Core Classes Auto Scheduled for 7-10
- Set up arena scheduling parameters
