

Formal Request for Reconsideration of Specific Library Collection Material

The ISD738 Holdingford Public school board adopted Policy 606.5 (Library Materials), under which the school board delegated responsibility for selection and evaluation of library materials to school district staff. This policy establishes procedures for formal reconsideration of specific library collection material.

A ISD738 Holdingford Public school district employee, student, or a parent or guardian of a school district student may request reconsideration of specific library material on the basis of appropriateness.

A requestor has the option to request Formal Reconsideration if the informal process set forth in Policy 606.5 has not resolved the matter.

The first step in the Formal Reconsideration process is submission of a fully completed Formal Request for Reconsideration form. A separate form must be completed in full for each library material item for which formal reconsideration is requested.

If you wish to request formal reconsideration of specific library collection material, please return a completed form to:
